CHANGE THE DATE RALLY 26 JANUARY 2018

It's Invasion Day not Australia Day.....

11:25am: March from the TAC, 198 Elizabeth Street, Hobart.

11:50am: Rally onto Parliament House lawns Hobart.

12:00pm: Ceremony, speeches and entertainment.

Australia is the only nation in the world that marks the day of invasion as a national day of celebration.

Many Australians recognise that 26 January is not an appropriate date for celebrations and support the call for a new date which is respectful of Aboriginal people's culture and heritage.

A rally and commemoration will be held to honour the lives and land that were stolen during the invasion.

ALL WELCOME
