Louisa Bay is located on the South Coast of Tasmania within the boundaries of the World Heritage Area.

The trip will depart early Monday 22nd

Transporting community members via a short helicopter ride straight to the location.

Staying 4 nights in the remote community camp on the edge of the Louisa River, returning early Friday.

Louisa Bay is a cultural landscape containing ancient cultural heritage sites, ceremonial places, and caves containing our old people's art.

Join the *rrala milaythina-ti* project and come and experience this unforgettable cultural landscape.
