Louisa Bay is located on the South Coast of Tasmania within the boundaries of the South West Conservation Area.

The trip will depart early Friday the 2nd of March  
Transporting community members via a short helicopter ride  
straight to the location.

Staying 4 nights in the remote community camp on the edge of the  
Louisa River, returning early Tuesday the 6th March.

Louisa Bay is a cultural landscape containing ancient cultural  
heritage sites, ceremonial  
places, and caves containing our old peoples art.

Join the *rrala milaythina-ti* project and come and experience this  
unforgettable cultural landscape.
